Dear Ms. Stevens:

On behalf of the staff of the New Jersey Catholic Conference, I want to congratulate you and your school as a recipient of the National Blue Ribbon Schools for 2017. Certainly, it is a major accomplishment, and I know from experience how much work is involved in the process.

I hope that you will take the opportunity to proclaim the good news of your accomplishment to all the members of your school community, as well as to the community at large. This prestigious award should be a source of great joy and celebration at a time when we face so many challenges in the world of nonpublic school education.

I hope that your good work will continue and bear much fruit in the future as you serve the members of your school community.

With every personal best wish, permit me to remain

Very cordially yours

George V. Corwell, Ed.D.
