## **SFCS Welcomes Back Students In-Person & Virtually!**

We welcomed back our students for the 2020-2021 school year on September 2nd. We have in-person classes and synchronized virtual learning for students in PreK3 through 5th Grade. Our Middle School is using a hybrid

approach to learning with in-class and virtual instruction at home!

## **Halloween Hocus Pocus**

Since we were not able to have the annual Halloween parade this year, each class had their own celebrations. We also had school-wide “dance breaks” every hour too!

## **SFCS Student Council Officers**

On Friday, November 13th, SFCS installed the new student council officers. The election campaign was held virtually and the voting was done digitally. Congrats to our new board members!

## **World Kindness Day**

On November 13th, our fourth graders made a math kindness quilt using their multiplication facts. They also did a project about being the “T” in kind!

## **Pre-K's Marian Program**

On October 28th, Pre-K sang songs and recited prayers to honor Our Mother, Mary. The program was live-streamed so that their parents and virtual students could participate.
